SPREADING HOPE AND AWARENESS ONE COUNTY AT A TIME

This summer, we're on the road to reduce the stigma of addiction and bring recovery resources where they are needed most: into the community. We'll drive an RV across 23 counties in Ohio to host a series of local recovery events. Each event will engage the community to record their hope-filled stories and connect them with local recovery resources and organizations.

REDUCING THE STIGMA OF ADDICTION

Addiction affects all of our communities. The consequences of addiction reach far beyond the addict. It is a physical, emotional, and spiritual illness. Addiction does not discriminate. It knows no socioeconomic boundaries. It affects every gender, every race, and every generation..

ADDICTION IS REAL, SO IS RECOVERY

Recovery is possible. We've been there. Done that. And we want to help others recover and live their fullest lives.

BE PART OF THE SOLUTION

Share your story to inspire others! If you are currently in recovery, are a past or current recovery housing resident, are the neighbor of a recovery house, are a friend of a person in recovery, or are a family member of a person in recovery, we'd love to hear your story!

ASSISTING INDIVIDUALS TO MEET THEIR FULLEST POTENTIALS

The Briermost Foundation provides safe, sober and supportive housing to women in recovery from drugs and alcohol, and we provide purpose in living through learning and training opportunities. We believe in treating people with respect and dignity as they learn to live sober.
